I understand that the Administrative Office of the United States Courts (AOUSC) has no statutory obligation to withhold local school district taxes per the standard withholding agreement between the U.S. Treasury and the State of Ohio dated July 1, 1977, as authorized by Title 5, section 5517 of the U.S. Code. However, AOUSC agrees to accept this voluntary withholding authorization under the following conditions:

- AOUSC will withhold based on the rates provided by the current Payroll Software Provider only.
- AOUSC will not be held responsible for the accuracy of these rates and will not make manual adjustments or system overrides.
- AOUSC will not be responsible for verifying the geographic boundaries of the school district I have selected.
- I will inform AOUSC of any changes in residency (address) or changes in school district jurisdiction.
- School District withholding does not release me from my obligation to file an annual SD-100 School District tax return.
- I may cancel this withholding authorization at any time.

I understand and accept the above conditions.
