The court has jurisdiction over this matter pursuant to 28 U.S.C. § 1334(b) and the general order of reference entered in this district on July 16, 1984. This is a core proceeding under 28 U.S.C. § 157(b)(2)(A) and (O).

This opinion is not intended for publication or citation. The availability of this opinion, in electronic or printed form, is not the result of a direct submission by the Court.

On June 2, 2011, Donald M. Miller, debtors' attorney, ("Miller") filed an application for attorney fees. On June 10, 2011, the chapter 13 trustee Toby L. Rosen ("trustee") filed a response. The response states that the proposed attorney fees exceed the court's "no look" amount pursuant to Administrative Order 08-05.

A hearing on the application was held on July 6, 2011. At hearing, Miller explained that work outside the scope of services included in the "no look" fee was required because debtors' schedules did not initially list a vehicle used by their son, who lives in Las Vegas. The court stated that it would review the application and grant additional fees to the extent that additional

work was performed with regard to the vehicle.

The court has reviewed the application and finds that the additional services performed fall outside the scope of the “no look” fee and that the additional compensation requested is reasonable. Accordingly, the trustee’s objection is overruled and the application for compensation is granted.

An order will issue with this opinion.
