The court has jurisdiction over this matter pursuant to 28 U.S.C. § 1334(b) and the general order of reference entered in this district on July 16, 1984. This is a core proceeding under 28 U.S.C. § 157(b)(2)(A) and (O).

This opinion is not intended for publication or citation. The availability of this opinion, in electronic or printed form, is not the result of a direct submission by the Court.

On June 7, 2011, Priscilla Schnittke, debtors' attorney, ("Schnittke") filed an application for attorney fees. On June 10, 2011, the chapter 13 trustee Toby L. Rosen ("trustee") filed a response. The response states that the proposed attorney fees exceed the court's "no look" amount pursuant to Administrative Order 08-05.

A hearing on the application was held on July 6, 2011. At hearing, Schnittke explained that work outside the scope of services included in the "no look" fee was required because of issues related to an IRS claim related to cancellation of debt. At the close of the hearing, the court stated that it would review the application and issue a decision.

The court has reviewed the application and finds that the additional compensation requested is reasonable. The “no look” fee in this case is \$2,250, which is calculated by adding the base fee of \$1,500, a case termination fee of \$500 and a \$250 extended commitment fee. As such, the requested fee of \$2,362.50 exceeds the “no look” fee by only \$112.50. The court believes that debtors’ counsel has done at least some additional work in this case. Accordingly, the trustee’s objection is overruled and the application for compensation is granted.

An order will issue with this opinion.
